Be brave and believe in yourself to follow your potential path to future mage of Artimé!

If 29 or fewer points:

So maybe you're not the next mage of all of Artimé, but each and every Unwanted here has an important and unique role. The mage looks to all of the Unwanted to work together to keep the land safe and well. Although you won't be leading all of the Unwanted through the next chapter of life in Artimé, your own special skills are sure to contribute to the land's well-being. Don't be afraid to speak up and share your ideas with your friends, teachers, and the mage.
